Our membership year runs from 1 January until 31 December. The annual subscription is payable on 1 October of the preceding year. Any new member joining the club on or after 1 October is deemed to have paid their subscription for the following year.

Please note British Riding Club Head Office states that all Riding Club membership applications run from 1st October each year and it is not a rolling membership based upon when you join an affiliated club. Therefore all membership renewals are due for renewal on 1st October.

Bath Riding Club is run entirely by volunteers and a condition of membership is that you help out at least one event per year. For the amount of activities we run, we really need help from each member (or their willing friend/ relative) on two different dates. Please make it easier for our helpers co-ordinator, Jen Watkins and easier for us to find a convenient date for you by ticking two different boxes on the attached helpers form. Memberships will not be accepted without the completion of this form.

Children under 8 are not covered by the club's insurance but may participate at our training days and any other closed events, at their own risk and join the club as a 'friend'. Entry fees for open events will be at the full rate. Please list below any children you wish to register on this understanding.
